Re: 2381 Lucky John Drive, Park City, Utah

Greetings:

On behalf of the U.S. Green Building Council, I want to congratulate you on achieving LEED gold certification in the LEED for Homes Rating System for 2381 Lucky John Drive. LEED certification identifies your project as a pioneering example of sustainable design, and demonstrates your leadership in transforming the building industry. In honor of this impressive achievement, and in appreciation of your participation in LEED, we are pleased to present you with the enclosed certificates recognizing your accomplishment.

We look forward to working with you to share the good news about your achievement. We have tools available to help you differentiate your project in the marketplace, including logos, plaques, brochures, online tools, talking points, and press release templates. Contact homes@usgbc.org for more information on our certified project marketing toolkit.

Congratulations once again on earning LEED certification, and thank you for your commitment to our common goal of building a healthy, sustainable future.

Sincerely,

S. Richard Fedrizzi
